Node #: __ Site #: ___ ___ ___

RA/IA will complete Question 1.

1. When did the participant last complete this form? __/__/___

   MM/DD/YYYY

For baseline and follow-up assessments, leave question 1 blank and ask the participant to evaluate her substance use in the past 7 days. For treatment phase assessments, the participant should evaluate her substance use between the day before the current day and the date of her last visit, indicated in question 1.

ALCOHOL USE

2a. Number of days on which alcohol was used: ___ ___

   If 00 or not answered, skip to Question 2d.

2b. Average number of drinks per day: ___ ___

2c. Maximum dollar value of alcohol used in one day: $___ ___ ___

Answer Questions 2d and 2e, even if there is no alcohol use at all.

2d. Number of days on which urge, desire, or craving for alcohol occurred: ___ ___

2e. How strong was the urge? How hard was it to resist?

   None [0]
   Mild urges, easily resisted [1]
   Moderate urges, requiring effort to resist [2]
   Strong urges to use, difficult to resist [3]
   Severe, usually impossible to resist urges to use [4]

COCAINE USE

3a. Number of days on which cocaine was used: ___ ___

   If 00 or not answered, skip to Question 3e.
Participant #: ___ ___ ___ ___
Visit Date: ___ ___ / ___ ___ / ___ ___ ___ ___

3b. Average dollar value of cocaine used per day: $ ___ ___ ___ ___

3c. Maximum dollar value of cocaine used in one day: $ ___ ___ ___ ___

3d. Principal route of cocaine use:
- Oral
- Inhaled
- Smoked (freebase/crack)
- Non-I.V. Injection
- I.V.
- Other

Answer Questions 3e and 3f, even if there is no cocaine use at all.

3e. Number of days on which urge, desire, or craving for cocaine occurred: ___ ___

3f. How strong was the urge? How hard was it to resist?
- None
- Mild urges, easily resisted
- Moderate urges, requiring effort to resist
- Strong urges to use, difficult to resist
- Severe, usually impossible to resist urges to use

HEROIN USE

4a. Number of days on which heroin was used:
If 00 or not answered, skip to Question 4e.

4b. Average dollar value of heroin used per day: $ ___ ___ ___ ___

4c. Maximum dollar value of heroin used in one day: $ ___ ___ ___ ___

4d. Principal route of heroin use:
- Oral
- Inhaled
- Smoked (freebase)
- Non-I.V. Injection
- I.V.
- Other

Answer Questions 4e and 4f, even if there is no heroin use at all.

4e. Number of days on which urge, desire, or craving for heroin occurred: ___ ___
### MARIJUANA USE

**5a. Number of days on which marijuana was used:**

- If 00 or not answered, skip to Question 5e.

- Number of days: __ __ __ __ __ __ __ __ __

**5b. Average dollar value of marijuana used per day:**

- Average value: $ __ __ __ __ __ __ __ __

**5c. Maximum dollar value of marijuana used in one day:**

- Maximum value: $ __ __ __ __ __ __ __ __

**5d. Principal route of marijuana use:**

- Smoked __ __ __ __ __ __ __ __
- Oral __ __ __ __ __ __ __ __
- Other __ __ __ __ __ __ __ __

*Answer Questions 5e and 5f, even if there is no marijuana use at all.*

**5e. Number of days on which urge, desire, or craving for marijuana occurred:**

- Number of days: __ __ __ __ __ __ __ __

**5f. How strong was the urge? How hard was it to resist?**

- None __ __ __ __ __ __ __ __
- Mild urges, easily resisted __ __ __ __ __ __ __ __
- Moderate urges, requiring effort to resist __ __ __ __ __ __ __ __
- Strong urges to use, difficult to resist __ __ __ __ __ __ __ __
- Severe, usually impossible to resist urges to use __ __ __ __ __ __ __ __

### ANY OTHER DRUG

**Number of days of use of each of the following:**

**6a. Other sedatives/hypnotics**

- Number of days: __ __ __ __ __ __ __ __

**6b. Stimulants**

- Number of days: __ __ __ __ __ __ __ __

**6c. PCP (angel dust)**

- Number of days: __ __ __ __ __ __ __ __

**6d. Hallucinogens**

- Number of days: __ __ __ __ __ __ __ __
Participant #: __ __ __ __
Visit Date: ___ ___ / ___ ___ / ___ ___ ___ ___

6e. Any other Drug
   Specify drug in Question 6e1 below.
   If 00 or not answered, skip to Question 6f.

6e1. Other drug used, specified: ______________________________________________
   Maximum 200 characters.

Answer Questions 6f and 6g, even if there is no other drug use at all. When answering 6f
and 6g, think about the substance in 6a-6e that was used most often.

6f. Number of days on which urge, desire, or craving for any other drug
   occurred: __ __ ___ 33

6g. How strong was the urge? How hard was it to resist? None 0
   Mild urges, easily resisted 1
   Moderate urges, requiring effort to resist 2
   Strong urges to use, difficult to resist 3
   Severe, usually impossible to resist urges to use 4

SUMMARY DRUG USE

7a. Number of days using any illicit drugs or alcohol: __ __ __ 35
